Présentation

DESCRIPTION

Short Description :

The objective is to familiarize students with the analysis of the themes and problems of contemporary societies from an international and intercultural perspective in order to develop with them possible courses of action.

Long description :

The theme of the Summer School (2021) will be examined from three perspectives: Democracy as an object of public criticism, Democracy in (digital) mobilizations and social movements and National peculiarities and similarities in a Franco-German comparison.

- * Duration (weeks) : 1
- * Number of hours per week : 24h
